Notes:

¹⁾ **STSM application number:** please report the number assigned by the system to your application, e.g. COST-STSM-CA20116-####

²⁾ **OPERA WG:** please write the number of the WG within which the cooperation is meant to be established.

³⁾ **Objective of the collaboration:** you can report even the STSM title and maybe expand it a little bit to make it clearer, if necessary.

⁴⁾ **Results of the collaboration:** please write a very concise synthesis. We need just a few lines that convey the essence of the outcomes. You can write one or two sentences (no more), or make a list of key outcomes (just a few words for each item). Be aware that this information is meant to be presented as a record of a big table for the whole STSM programme: we don't need extended descriptions (as they are already reported in your STSM scientific report).

1. Description of the work carried out during the STSM (max 250 words):

2. Description of the main results obtained (max 250 words):

Mutual benefits for the Home and Host institutions (max 150 words):

Future collaboration with the Host institution (if applicable, max 150 words):

Foreseen publications or conference presentations expected to result from the STSM (if applicable, (max 150 words):
